8/9/70

Dear Harold,

This is re your note on the PM appendix which you located and your maginal note indicating you'd like your kind offer kept quiet. I will gladly collate the sets next time I8m there. I,ll add this to my tentative list of things to do.

Of course I8d like a copy of this. And again, the kindness ~~XX~~ and the meaning of your offer is not lost and is quite appreciated.

Best,

Howard
